

# Mrs. Pottish's Grading Policy:

*Grades are based on pre-determined objectives designed for each project and/or task. All projects are graded on a point system and have required due dates. Points are earned across four categories: Criteria, Creativity, Concentration, and Craftsmanship.*

**Creativity:** The student's artwork demonstrates their creativity, originality, and problem-solving skills.

**Craftsmanship:** The student takes pride in their work. Their work demonstrates their attention to detail, careful construction, and overall neatness.

**Criteria:** The student has followed all of the instructions outlined for the project.

**Concentration:** The student is focused and works diligently to complete each assignment to the best of their ability. The student is not a distraction to others.
